Dear Euclid Preparatory School Families,

Welcome to the 2020-2021 School year! I know this year will bring a lot of challenges for us all. This year will be different, and at times it may even be frustrating. Please know the staff and team at Euclid Prep is here to help you. We will get through this together. As you all know, our board decided that Euclid Prep will go completely virtual for the first 9 weeks of school. As we move closer to the end of that 9 weeks, we will provide all of our families with the information as to how we will move forward.

*Please make sure that you all have taken the time to view our parent orientation that is posted on social media and the schools website.

Also, if you are having issues logging on to the chrome book please contact the school and we can assist you. If you are having issues with AMP and Canvas, please reach out to the support number that was provided to you. If you still need any information or feel as though you missed something, it is okay, just give us a call and we can assist you.

**Our website will be up to date at all times. Therefore, please check the schools website for all updates.

I want to thank all of you for your patience and understanding during this time. We appreciate each of our students and families for sticking with us and being a part of the Euclid Prep Family. This will be a great year, DIFFERENT, but GREAT!

Euclid Prep eagles are resilient and can get through anything!
